Project services 16

Every project is quoted for its size, quantity, material, finishing and location. Product availability and scheduling are confirmed with your quote.

Banners

Promotions, openings, events and repeat campaigns. Choose the material and finishing around where your message will go.

Format illustration

Vinyl banners

Big, full-color messages for promotions, openings and events.

13, 15 and 18 oz material options; finishing by project.

Heavyweight blockout banners

A heavier banner with a core that limits show-through.

18 oz; one- or two-sided print options.

Mesh banners

Perforated banner material for locations where airflow matters.

Printed polyester mesh; mounting reviewed for the site.

Smooth indoor banners

A smooth graphic surface for close-view indoor displays.

Lay-flat display material and finishing options.

Fabric banners

Printed fabric for event graphics and indoor branding.

9 oz fabric option; size and finishing by quote.

Blockout fabric banners

Fabric graphics that reduce light showing through from behind.

Light-blocking fabric; custom printed artwork.

Tension fabric graphics

Fitted fabric prints made for compatible display hardware.

Two-way stretch; template and frame match required.

Backlit banners

Translucent printed graphics for compatible illuminated displays.

Backlit vinyl; lightbox specifications reviewed.

Pole banners

Double-sided messages for approved pole locations.

Pole pockets; matching bracket options.

Hand banners

Portable banners supporters can hold at games and events.

Printed vinyl with handles.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Rigid signs & magnets

From temporary yard signs to mounted panels. Match the substrate, size and support to the placement.

Format illustration

Yard signs

Lightweight rigid signs for promotions, directions and job sites.

4 or 10 mm corrugated plastic; stake options.

Acrylic signs & photo panels

Printed clear panels for interior branding and image displays.

White-ink and mounting options.

Foam-board signs

Lightweight boards for indoor events, presentations and displays.

3/16-inch foam board; indoor use.

Gatorfoam signs

Rigid display boards for indoor presentations and exhibits.

3/16- and 1/2-inch options; white or black.

PVC signs

Smooth plastic panels for printed business and event messages.

3 and 6 mm options; application reviewed.

Styrene signs & inserts

Flexible plastic graphics for holders, inserts and displays.

Thin, smooth plastic sheet.

Aluminum signs

Printed metal panels for business identification and information.

.040- and .080-inch options.

Aluminum composite signs

Rigid panels with metal faces and a lightweight core.

3 and 6 mm options; mounting by scope.

Bubble-core plastic signs

Lightweight plastic panels with a rigid internal bubble structure.

4 mm polyethylene; satin finish.

Vehicle & custom magnets

Removable printed messages for suitable magnetic surfaces.

Standard sizes, custom sizes and contour-cut options.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Rigid signs & magnets / continued

From temporary yard signs to mounted panels. Match the substrate, size and support to the placement.

Format illustration

Hanging post signs

A hanging sign panel paired with a matching post system.

PVC post and composite-panel options.

Steel-frame sign sets

Reusable frames holding changeable property or directional signs.

Drop-in panels; one- or two-sided graphics.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Adhesive & window graphics

Graphics for glass, walls, floors and suitable vehicle surfaces. Material and installation are matched to the surface.

Format illustration

Printed adhesive vinyl

Custom printed graphics for suitable smooth, flat surfaces.

Permanent adhesive and air-release options.

High-performance vinyl

Conformable printed graphics for flat surfaces and simple curves.

Repositionable application options.

Vehicle wrap graphics

Printed wrap media for vehicle branding and shaped surfaces.

Cast vinyl options; installation reviewed separately.

Perforated window graphics

Window promotions printed on perforated adhesive film.

50/50 and 70/30 options; visibility depends on lighting.

Window clings

Changeable window messages using removable cling material.

Inside- or outside-facing options.

Clear window graphics

Printed graphics with a transparent background on suitable glass.

Clear adhesive film; artwork coverage reviewed.

Frosted glass graphics

A frosted graphic treatment for interior glass and partitions.

Printable frosted vinyl.

Double-sided window graphics

Different messages visible from each side of a window.

Double-sided printed adhesive construction.

Translucent sign-face graphics

Printed adhesive faces for compatible illuminated signs.

Translucent vinyl; existing sign details required.

Indoor floor graphics

Wayfinding and promotional graphics for suitable indoor floors.

Floor-film and laminate options; surface review required.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Adhesive & window graphics / continued

Graphics for glass, walls, floors and suitable vehicle surfaces. Material and installation are matched to the surface.

Format illustration

Outdoor floor graphics

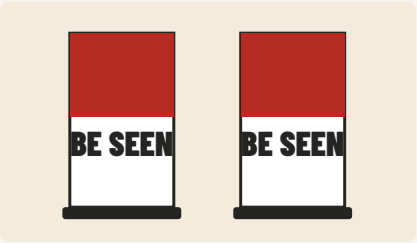

Printed pavement graphics for selected outdoor surfaces.

Outdoor adhesive material; location and surface review.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Displays & sign holders

Portable formats for sales floors, reception areas, photo opportunities and trade-show booths.

Format illustration

Retractable banner stands

Pull-up graphics that pack into their own base.

Economy, standard, deluxe and wider formats.

Tabletop retractable banners

Compact pull-up displays for counters and event tables.

Small-format retractable hardware and printed insert.

X-banner stands

Lightweight frames supporting replaceable banner graphics.

Multiple sizes; grommeted print.

Tension fabric stands

Tall displays with fitted fabric graphics over a frame.

Single- and double-sided options.

Step-and-repeat backdrops

Branded photo backgrounds for events and announcements.

Fabric graphic and compatible tube frame.

Tension fabric backwalls

Wide exhibit graphics in straight or curved formats.

Multiple booth widths; fitted fabric and frame.

Popup fabric displays

Fabric backwalls supported by folding accordion hardware.

Straight and curved hook-and-loop options.

Modular trade-show kits

Coordinated display components for your booth footprint.

10 x 10, 10 x 20 and 20 x 20 ft families.

Branded podiums

A compact greeting and presentation point for your exhibit.

Printed graphic and compatible podium options.

SEG fabric displays

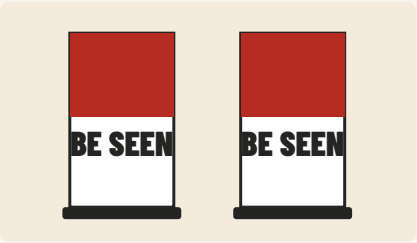

Fabric graphics with edges that fit a slim display frame.

Non-lit frames and replacement graphics.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Displays & sign holders / continued

Portable formats for sales floors, reception areas, photo opportunities and trade-show booths.

Format illustration

Backlit SEG displays

Illuminated fabric graphics in a freestanding frame.

LED frame options; one- or two-sided formats.

Backlit SEG popup displays

Illuminated exhibit graphics with a folding display frame.

8 and 10 ft product families.

Plastic sidewalk signs

Portable sandwich-board displays for entrance promotions.

Standard, removable-panel and compact formats.

Metal sidewalk A-frames

Metal frames with replaceable printed sign panels.

Drop-in corrugated-plastic graphics.

Banner A-frames

Freestanding frames carrying large promotional banners.

Aluminum frame; 4 and 8 ft formats.

Indoor poster stands

Freestanding holders for changeable indoor messages.

Steel stand and matching printed insert.

Small directional A-frames

Compact portable signs for properties and event directions.

24 x 18-inch panel format.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Flags, tents & table covers

Build a coordinated event presence with matching graphics, compatible hardware and a clear setup plan.

Format illustration

Feather flags

Tall promotional flags for entrances and event spaces.

Angled and convex shapes; base and print-side options.

Teardrop flags

Curved flag displays for business and event branding.

Multiple heights; one- or two-sided graphics.

Rectangle flags

Rectangular flag displays for logos and promotional messages.

Multiple heights and base options.

Custom pole flags

Your artwork printed for use on compatible flag hardware.

Standard or custom sizes; grommet finishing.

Desktop flags

Small flag displays for counters, desks and reception areas.

Desktop teardrop format.

Stock-message promotional flags

Ready-designed flag messages for common business promotions.

Selected designs with compatible pole and base.

Printed event tents

Branded canopies that make your event space recognizable.

10 x 10, 10 x 15 and 10 x 20 ft families.

Tent walls & half walls

Printed panels to coordinate with your branded canopy.

Full or half walls; model-specific fit and supports.

Tent flag kits

Flag accessories matched to compatible event tents.

Hardware and graphics depend on the tent model.

Printed table throws

Loose-fitting branded covers for event and display tables.

4, 6 and 8 ft options; open or closed back.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Flags, tents & table covers / continued

Build a coordinated event presence with matching graphics, compatible hardware and a clear setup plan.

Format illustration

Fitted table covers

Tailored rectangular covers for a clean event-table finish.

6 and 8 ft options; back styles available.

Stretch table covers

Close-fitting printed fabric wraps for event tables.

6 and 8 ft options.

Round table covers

Branded covers for round meeting and cocktail tables.

Standard and bar-height formats.

Table runners

A strip of full-color branding across your table.

Printed runner; coordinating throw options.

Solid-color table throws

Simple unprinted covers to complete your event setup.

6 and 8 ft options; selected colors.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Posters, wall art & murals

Artwork, messages and full-wall graphics for interiors. Choose a ready-to-display piece or a print for your own finishing.

Format illustration

Paper posters

Printed paper graphics for short-term indoor promotions.

Bright-white satin paper.

Tear-resistant posters

Durable paper-style prints for repeated handling.

Water- and tear-resistant polyethylene material.

Poster & popup inserts

Smooth non-adhesive graphics for compatible display systems.

Blockout PVC display material.

Canvas roll prints

Printed canvas supplied for custom stretching or framing.

Canvas material and finish options.

Canvas wraps

Artwork stretched into a gallery-style canvas display.

1.5-inch wrap format.

Framed canvas

Canvas artwork finished with a surrounding frame.

Selected frame colors.

Framed prints

Custom printed artwork presented in a display frame.

Wood-style framing options.

Adhesive wall murals

Custom printed fabric graphics for suitable interior walls.

Removable, repositionable wall-fabric options.

Non-woven wallpaper

Printed wallpaper for interior graphics and branded spaces.

PVC-free, non-self-adhesive material.

Wall-mounted fabric frames

A slim frame with a replaceable silicone-edge fabric graphic.

Black aluminum frame and matching printed fabric.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Apparel & transfers

Branded shirts and transfer graphics for coordinated teams, events and promotional items.

Format illustration

Printed T-shirts

Full-color printed shirts for your team, promotion or event.

Direct-to-garment printing; garment and placement by quote.

DTF garment transfers

Printed transfer films for application to compatible fabrics.

Transfer supply; heat-press application reviewed separately.

UV DTF transfers

Adhesive printed graphics for compatible hard goods.

Color, white and gloss; surface suitability reviewed.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Cards & handouts

Small-format printed pieces that keep your business in hand after the conversation ends.

Format illustration

Business cards

A printed introduction with your business and contact details.

Gloss or matte finish options.

Postcards

Compact printed pieces for announcements and promotions.

Size and finish options by quote.

Printed mailers

Printed promotional pieces prepared for your distribution plans.

Printing only; mailing services are not included.

Aluminum business cards

Rigid metal cards with a direct-printed full-color design.

Gloss-finish aluminum.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Specialty & dimensional signs

Distinctive finishes, illuminated graphics and dimensional lettering. Each project starts with a product and site review.

Format illustration

Front-lit channel letters

Dimensional letters with illuminated acrylic faces.

Front-lit and dual-light configurations.

Halo-lit channel letters

Dimensional letters with light directed behind the sign.

Reverse-lit metal and acrylic configurations.

Premium acrylic-face letters

Fabricated letters with full or inset acrylic face treatments.

Configuration, mounting and lighting by project review.

Custom cut-metal signs

Custom shapes cut from steel and finished in powder coat.

16-gauge steel; selected colors and sizes.

Backlit film & polycarbonate

Translucent non-adhesive inserts for compatible lightboxes.

Film and flexible polycarbonate options.

Reflective sign finishes

Reflective graphics for selected signs, panels and magnets.

Reflective material selected for the intended application.

Dry-erase signs & graphics

Custom printed artwork with a writable surface.

Vinyl, magnet and selected rigid-board options.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Hardware & replacements

Keep compatible displays in use with fresh graphics, matching supports and the right finishing components.

Format illustration

Replacement display graphics

New artwork fitted to your existing compatible display.

Banner, fabric and SEG options; model details needed.

Display frames & components

Replacement hardware for compatible banners and exhibits.

Retractable, X, tension, backdrop and booth components.

Flag poles & bases

Matched supports for your chosen flag and display surface.

Model-specific poles, bases and accessories.

Tent frames & supports

Compatible frames and accessories for event canopies.

Frames, half-wall supports and matching components.

Yard-sign stakes & supports

Support hardware for corrugated signs and panel displays.

Standard or heavy-duty stakes; frame and post options.

Sign standoffs

Mounting components that space a panel off its surface.

Silver or black aluminum options.

Poster rails & wood hangers

Reusable top-and-bottom holders for compatible prints.

Aluminum snap rails or magnetic wood hangers.

Display lighting

Compatible lighting accessories for exhibit hardware.

LED accessory options; model match required.

Blank print media

Unprinted material for your own production or finishing work.

Selected vinyl, laminate and canvas.

Sign finishing supplies

Selected components for assembling compatible sign materials.

Banner tape, double-sided tape, masking tape and grommets.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Project services

Work directly with Erik to bring the product, artwork, production and site details together.

Format illustration

Signage project coordination

One contact to organize the brief, production and handoff.

Scope, materials and schedule reviewed before approval.

Artwork & file coordination

Review the required size, artwork format and placement.

File preparation or design needs confirmed in the quote.

Sign & graphic installation

Installation for suitable signs, graphics and locations.

Surface, access and mounting reviewed before scheduling.

Local delivery & drop-off

Bring completed signage to your agreed local destination.

Greater Houston; delivery details confirmed by quote.

Dealership & repeat campaigns

Coordinate recurring banners, graphics and promotional changes.

Artwork, locations and dates kept together.

Request a quote at solidsitesigns.com or call (713) 912-2151.

Tell us what you have in mind.

A clear brief helps us recommend the right product and put a useful quote together.

The product	Which item caught your eye? Include the quantity and approximate finished size.
The placement	Send the city or ZIP, a photo of the space and the surface or display hardware.
The artwork	Share your logo, artwork or message. We will review file requirements for the chosen product.
The timing	Tell us the date you need it in place and whether you need delivery or installation.

WORK DIRECTLY WITH ERIK.

(713) 912-2151 | erik@gosolidsite.com

Serving Greater Houston. Production is coordinated through specialist partners. Installation, access, electrical work and permitting needs are reviewed for each project; only the agreed scope is included. Edition: November 2026.
